Subject: CEMS Question

Good Morning Mark,

PDEQ has been looking in the federal regulations to find a couple of items regarding CEMS and compliance testing requirements and had a couple of questions for you.

Ex. 7(A)

Ex. 7(A)

We conducted a full compliance evaluation 2 weeks ago at the facility and are in the process of reviewing all of the data. The MS teams meeting today should be interesting!

Thank you,

Jackie Ronstadt, Air Compliance Manager
